

Join Us at Our "Passage to India" Live and Silent Auction and Change These Kids' Lives Forever.

Be part of the action on Saturday, September 27th, 2008 and help us raise money to build a school for young children in India.

Last year, nearly 200 generous people gathered for our "Night in Tanzania" to help us raise money to build schoolrooms in Tanzania, Africa. This year, we're thinking even bigger and counting on you to help us build an entire school in rural Gujarat, India. It's fun. It helps young people thirsty to learn. And it's tax-deductible, too!
